

**Idaho Conservation Corps – AmeriCorps Conservation Intern
Payette National Forest –New Meadows Ranger District
New Meadows, Idaho**

Position Title: Forestry Technician (Timber) – 900 HR

Position Summary:

The Payette National Forest is recruiting one Forestry Technician (Timber) intern from May 28th through November 8th, 2019. The incumbent will be paired with a Forest Service Employee to complete timber sale preparation activities to support harvest activities. This position will typically work four ten hour days per week (Monday through Thurs).

Duties and Responsibilities:

The Payette National Forest is part of the Collaborative Forest Landscape Restoration Program which encourages collaborative, science-based ecosystem restoration of priority forest landscapes. As part of the CFLRP, our large landscape scale project areas aim to restore dry forest vegetation conditions by favoring for retention early seral species such as ponderosa pine, western larch and Douglas-fir, improve habitat for wildlife species associated with dry forests, and reduce wildland fire risk. This position will work with a small Forest Service crew across the Payette to prepare timber sales to help meet our CFLRP commitments. Primary duties are to assist with marking harvest unit boundaries (35%), measuring riparian buffers (<5%), running skyline profiles (<5%), applying silvicultural prescriptions and marking guidelines to designate timber for harvest (10%), assisting with timber cruising (20%) and using GPS units or compass and laser to traverse harvest unit boundaries (15%) and other duties as assigned (10%).

Required Qualifications:

- Willingness to work as part of a small team
- Current driver's license.
- Good written and verbal communication skills.
- Ability to lift and carry up to 30lbs
- Ability to work outdoors in remote settings and inclement weather on uneven ground
- Intern may travel to other duty stations during the work week and remain over-night occasionally

Desired Qualifications:

- Experience reading maps and attention to detail
- Previous experience using GPS and GIS
- Previous experience using GPS units and other forest measurement tools
- Coursework in biology, silviculture or related field
- Strong interest in resource management.

Duty/Housing Location:

Duties are performed out of the New Meadows Ranger District New Meadows, Idaho. Housing is provided in bunkhouses with a common kitchen and shared bedrooms located in New Meadows.

Terms of Employment:

One AmeriCorps member will complete a term of service (length dependent on commitment of hours), starting May 28th through November 8, 2018. The member must complete a minimum of 900 service hours by the end of their term.

Program Benefits:

\$6,250 living allowance dispersed on a monthly basis, a \$2,960.00 education award upon completion of the 900 hours of service. The incumbent will receive training in CPR/First Aid & defensive driving. Housing is provided.

The living allowance and education award are taxable. Members are responsible for providing their own food. Service eligibility is contingent upon the results of a criminal and driving background check.

The member will not engage in any prohibited activities as stated in the Member Service Agreement.
