

**Idaho Conservation Corps – AmeriCorps Conservation Intern
Payette National Forest – Council Ranger District
Council, Idaho**

Position Title: Forestry Technician (Fuels) -900 HR

Position Summary:

The Payette National Forest is recruiting one Forestry Technician (Fuels) summer intern beginning May 30, 2017. This position will primarily complete fuels activities on the Payette National Forest. Incumbent will work with our fuels tech and also alone. This position will typically work four ten hour days per week (Monday through Thurs).

Duties and Responsibilities:

Primary duties are to complete fuels effectiveness monitoring (40%), prescribed burn unit lay out (20%), and using GPS units to traverse thinning unit boundaries, road locations, and to determine area (40%). Standard forest measurement tools such as GPS, compass, measuring tape, clinometers, relaskop, laser distance meters, and vegetation identification keys/guides will be utilized. The crew may travel to other duty stations during the work week and remain over-night occasionally.

*Percentages describe the estimated amount of time expected on each task.

Required Qualifications:

- Willingness to work as part of a small team
- Good written and verbal communication skills
- A positive attitude
- Current driver's license
- Ability to lift and carry 30lbs
- Ability to work outdoors in remote setting and inclement weather

Desired Qualifications:

- Experience reading maps and attention to detail.
- Previous experience using GPS units and other forest measurement tools.
- Coursework in biology, silviculture or related field
- A strong interest in resource management.

Duty/Housing Location:

Duties are performed out of the Council Ranger District in Council, Idaho. Housing is provided in bunkhouses with a common kitchen and shared bedrooms.

Terms of Employment:

One AmeriCorps member will complete a term of service (length dependent on commitment of hours), starting May 30, 2017 through October 27, 2017. The member must complete a minimum of 900 service hours by the end of their term.

Program Benefits:

\$6,250 living allowance dispersed on a monthly basis, a \$2,887.50 education award upon completion of the 900 hours of service.

The living allowance and education award are taxable. Members are responsible for providing their own food. Service eligibility is contingent upon the results of a criminal and driving background check. The member will not engage in any prohibited activities as stated in the Member Service Agreement.
